

CAMPAIGN AGAINST POLITICAL CORRECTNESS MEMBERSHIP FORM

(Please feel free to copy this form for your family, friends, colleagues and neighbours)

Name(s):

Address:

Phone Number(s) (optional):

Date of Birth (optional):

e-mail address (optional): e-mailing can help us to reduce our costs so if you have an e-mail address it would be very helpful if you could let us have a note of it please!

About you (optional): It would be very helpful if you could provide us with details of your background/skills/interests etc. please. We could then match this information to relevant topical issues and ask for your comments where appropriate.

We understand that everyone is different. Some people may prefer to make a donation towards our ongoing costs whilst others may wish to volunteer some of their time or offer a service instead. By matching resources to willing volunteers we can make the most impact so please just contribute what you wish as we have no fixed membership fee.

I am enclosing a cheque/PO for £_____ and want to become a member of the Campaign Against Political Correctness. Please make cheques payable to "CAPC" and send them to the address below.

We will send you a **free lapel pin** with individual membership fees of £20 or over (or two free lapel pins for joint membership fees of £30 or over). **Membership also entitles you to a 10% discount at the CAPC "Shop".**

Please tick any of the following boxes which apply to you:

- I have not yet signed the petition against Political Correctness and would like you to add my name now.
- I can deliver leaflets for the Campaign Against Political Correctness in my area if required.
- I would like more information about items in the Campaign Against Political Correctness "Shop".
(We have a range of badges, pins, labels, "business" cards, pens, keyrings, cufflinks, car stickers, umbrellas and other items.)
- I would like to organise a Campaign Against Political Correctness meeting in my area.
(For smaller groups we can give you ideas for your meeting and for larger groups we can try to arrange a speaker and publicity too. If possible, please let us have further information and/or potential dates either now or in due course.)
